Cherry Cobbler and Very Vanilla CS; Hearts Framelit collection; Very Vanilla seam binding ribbon; Basic Gray and Cherry Cobbler inks; Take It To Heart and Loving Thoughts stamp sets.

Cut scalloped heart from a top-folded card, plus one single scallop heart, from Cherry Cobbler. Score top layer of "card" 2" up from bottom point of heart. Stamp smallest heart in Cherry Cobbler onto smallest heart shape and pop dot to center of gray heart.

Crease fold on top layer of heart card down, and adhere loose scalloped heart to lower section ONLY. This will allow you to prop the bottom corner of the heart to the card interior as shown.

On other vanilla heart, stamp bicycle heart in Basic Gray towards lower edge of heart. Adhere sticky strip around edges on back of heart, and pleat seam binding ribbon onto sticky strip. Pop dot ribbon-edged heart to card front. Stamp word banner in Basic Gray onto Very Vanilla scrap, then stamp chosen sentiment inside banner. Use Cherry Cobble marker to color edges of banner. Cut out banner and pop dot to top of heart.
