YOU WON'T WANT TO MISS OUR UPCOMING CHALLENGE!

## MONSTERS, ZOMBIES, CREATURES WITH HORNS

They say, "Be careful what you ask for." We say, "Whatever!" We're looking for the best monster images for cards, scrapbook pages, and other craft projects. Show us your best hair-raising, spine-chilling, terrifying creatures. Or maybe you're more comfortable with monsters and creatures in the cute category. We like those too! So muster your courage and submit five to ten images of your original artwork.

**Contest dates:** June 17–July 15, 2013

Submit ideas early so you have plenty of time to gather support for your work (you know—get your friends to vote for your design).
