Delicate Doily Thinking-of-You Card
 (CAS'ed from [Heather Cserni](#) and others)
 Landscape top-fold card base in Crumb Cake CS, Lucky Limeade layer at 5 3/8" x 4 1/8", Crumb Cake layer at 5 1/4" x 4".
 Sentiment layers: Lucky Limeade, 3 1/2" x 1" and Whisper White at 3 1/4" x 3/4". Whisper White envelope.
 Stamp Crumb Cake layer randomly with Delicate Doily stamps in Whisper White Craft Ink, heat emboss with white embossing powder. Color in doilies with 11-13 In Color markers, I used Lucky Limeade, Island Indigo and Calypso Coral.
 Assemble card base layers. Stamp sentiment on Whisper White layer, adhere to Lucky Limeade strip, pop dot to center of card. Stamp and stamp-off small doily stamp to envelope front in black.

Happiest of Birthdays In-Color Card
 (CAS'ed from [Michelle Reynolds](#), [Inspiration Ink](#))

Top fold card base in Lucky Limeade CS, Naturals White layer at 4" x 5 1/4", 3" x 4" DSP layer from Cheerful Treat DSP pack. Stitched Poly Ribbon in Concord Crush, punch pieces in Lucky Limeade, Concord Crush, Bashful Blue, Melon Mambo and Pink Pirouette, self-adhesive rhinestones. Inside layer is Naturals White at 3 1/4" x 4 1/2". Matching Naturals White envelope provided.

Using markers, ink up birthday stamp as shown, and stamp on one end of Naturals White layer. Stamping first will give you 4 tries at this for this card! Touch up with markers if desired. Adhere DSP layer underneath sentiment, wrap and adhere ribbon to cover seam, aligning with top edge of DSP. Fold card base, clip all 4 corners with corner rounder punch, and do same to card layers. Adhere layers to base. Assemble punched medallion from CS scrap as shown, using 1 1/2" circle punch, Blossom Bouquet triple layer punch, and 4-petal Itty Bitty Shapes punch. Pop dot medallion to center of ribbon. Adhere large rhinestone to dot the "i," and to medallion center. Inside: using markers, ink up presents stamp, and stamp lower right corner of inside layer, stamping off on lower right corner of envelope. Corner round inside layer and adhere to card interior.

Hello Pennants

(Inspired by [Heidi Baks, The Running With Scissors Stamper](#))

Landscape top fold card base in Pool Party CS, DSP strip from Cheerful Treat DSP pack at 1" x 5 1/4". Whisper White 1 1/4" strip for Lace Ribbon Border, Early Espresso 1/4" grosgrain ribbon, Whisper White scrap for pennants and sentiment, tiny self-adhesive rhinestones. Using all 11-13 In Colors (Lucky Limeade, Wisteria Wonder, Pool Party, Calypso Coral and Island Indigo) stamp and punch 5 pennants using Petite Pennants Builder. Stamp sentiment three times in Early Espresso on Whisper White scrap, and punch with 5/8" Circle punch. Pop

dot sentiments to three of the pennants. Arrange pennants in an arc along top of card and adhere. Punch Whisper White strip with Lace Ribbon Border punch (provided) and adhere to back of DSP strip so that only the top half shows. Wrap ribbon around seam, lining up with top edge of DSP. Adhere to bottom edge of card, and adhere three tiny rhinestones along right side of ribbon as shown. Clear envelope provided.

Flirtatious Get Well Frames

(Inspired by [Jo-Ann Pullen, StudioNo8](#))

Standard card base in Pumpkin Pie CS, DSP layer from Flirtatious DSP pack at 4" x 5 1/4". Melon Mambo Double-Stitched 1" grosgrain ribbon and Pumpkin Pie 1/4" grosgrain ribbon. Medallion assembled from Flirtatious DSP, Melon Mambo CS and Rhinestone brad, sentiment in Whisper White and Melon Mambo. Whisper White envelope with 5 3/4" x 2 1/4" DSP strip for flap.

Adhere Melon Mambo ribbon around DSP layer, and layer Pumpkin Pie ribbon on top, using SNAIL adhesive. Assemble medallion from DSP piece, with flower layers from Blossom Party Originals Big Shot Die, center punch and add rhinestone brad. Pop dot medallion over ribbon. On Whisper White scrap, stamp frame from Four Frames stamp set, add sentiment from Teeny Tiny Wishes using Stamp-a-ma-jig, both in Melon Mambo. Punch using Decorative Label punch. Punch two Decorative labels from Melon Mambo scrap. From first Melon Mambo label, cut ends off and adhere to back of sentiment to create layer look. Clip long edges from other

Melon Mambo piece and adhere to complete all four sides. Pop dot sentiment to lower right of DSP layer, and adhere all to card front. For envelope, adhere DSP strip to card flap (put glue on FLAP, not DSP) and trim edges with snips to shape.
